The Idaho State University, Intermountain Center for Education Effectiveness, in cooperation with the State Department of Education, is offering **Driver Education I (Basic Driver Education)** and **Driver Education II (Advance Driver Education)**. These courses are required to be eligible to become an Idaho driver education and training instructor. Classes will be taught at the

The courses includes: The driver task analysis, classroom methods, behind-the-wheel methods, organization and administration, student teaching, quizzes, the state skills test, and the required state knowledge test.

FOR THE TWO COURSES, THE REQUIREMENTS INCLUDE:

1. Select and obtain approval from the course instructor, an active driver education teacher to assist you as your “mentor” for the student teaching requirement (see number 6 below).
To be completed no later than _____.
2. Observe a minimum of three driver education instructors teach a classroom lesson and a minimum of three teachers teaches one in-car lesson. Prepare reports using the form provided.
To be completed no later than _____.
3. Use the *Idaho Content Standards and Benchmarks* to prepare a Scope and Sequence for thirty classroom hours of instruction and 6 hours behind the wheel hours of instruction.
To be completed no later than _____.
4. Prepare route plans to support six hours of in-car instruction.
To be completed no later than _____.
5. Participate in peer teaching assignments with your classmates.
6. Successfully teach a minimum of one behind-the-wheel lesson to a novice student in a public school or commercial driving school, guided by your approved mentor.
To be completed no later than _____.
7. Develop a resource materials file to be used as the basis for your professional library.
To be completed no later than _____.
8. Know the Idaho Statutes and State Board Rules that must be complied with when teaching and/or administering driver education programs.
9. Schedule and complete an Idaho Transportation Department (ITD) road test administered by a certified ITD tester. Passing is no more than 7 penalty points. Re-testing is required for scores exceeding 7 points. Laboratory fee is \$11.50 - paid to the ITD skills tester. Information provided during first class date.
To be completed no later than _____.
10. Prepare a calendar with the dates and times for one complete driver education course you would conduct. To be completed no later than _____.
11. Complete all assigned readings from textbooks and resources.
12. Complete all quizzes and the final exam.

CLASS POLICIES:

1. Arrive promptly and be ready for class at 8am.
2. Attend every class; points will be deducted for absences.
3. Actively participate in the classes.
4. Complete all assignments by the due date.
5. All work must be typed or neatly written.
6. Bring all resources provided and a notebook to every class.
7. Complete all assigned readings prior to class.
8. Keep an open mind.
9. Remember you are the most important student you will ever teach in a driver education course.
